

PANTHEM - Sticks Up

Panists lets present a musical elixir
Symphonic sounds a soothing healer
We promise peace, profound prosperity
Pour in strength with total solidarity
We will mix harmony with humanity
A dose of unity to strengthen our community

Chorus

Panists sticks up, shape our destiny
Panists sticks up, for society
Panists sticks up, for our prosperity
Panists sticks up, set our people free

A few drops of laughter to make things brighter
Trust that keeps us all striving together
Our purified potion we pledge to use
Your hearts we'll melt, your souls we'll fuse
Fun for everyone, love for you and me
The notes we add to set you free

Chorus

Panists sticks up, for prosperity
Panists sticks up, set our people free
Panists sticks up, shape our destiny
Panists sticks up, know your history

Lyrics by Arlette Wiggins

Music composed, played and sung by Emile Borde
